

RadioRA® 2 | Product Reference Guide

RadioRA 2 was developed to work in any residence, new or existing. Easily install keypads, sensors, light controls, temperature controls, appliance controls and shades to create a system that will best suit your needs. And you don't have to worry about the type of lighting in the home, either. Whether you have incandescent, magnetic low-voltage, electronic low-voltage, fluorescent lights, or LED, RadioRA 2 will provide the control you need.
