

clare ONE™

Wireless Security and Smart Home Platform

One app. One panel. One platform.

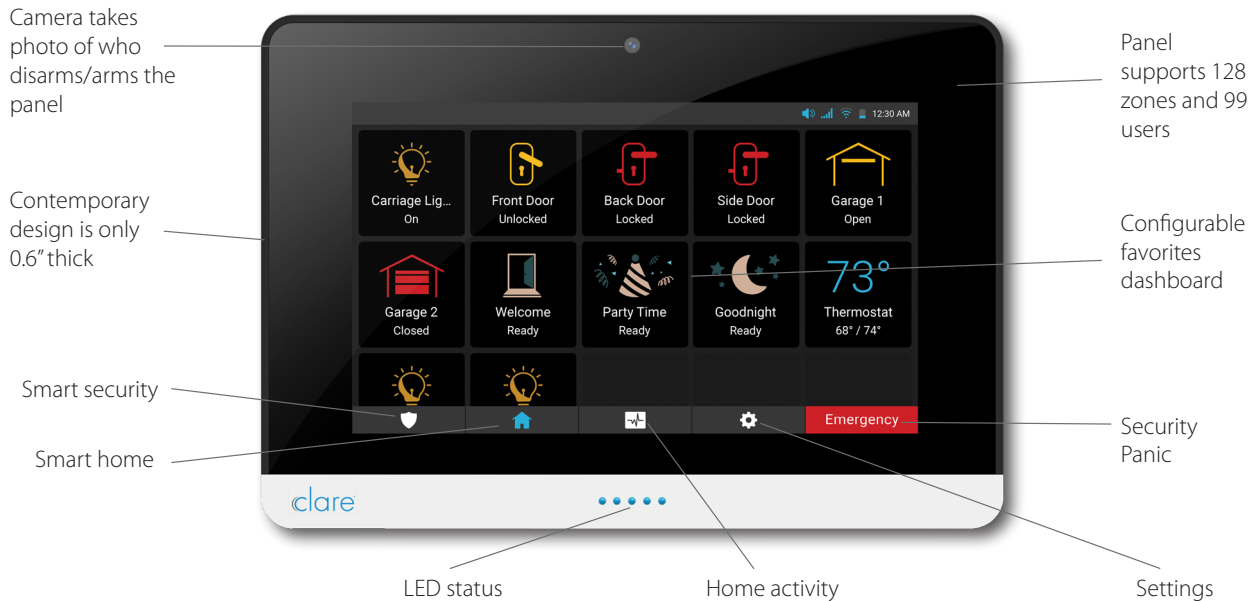

The ClareOne Panel is a unique touchpanel that sets a new standard in the market. It is designed to be the cornerstone in a larger strategy focused on filling the wide gap between today's commonly available security systems and luxury level home automation solutions.

- **One App Experience:** Clare's unified mobile application provides a seamless user experience.
- **Open, Cost-Effective Solution:** Integrates with hundreds of products from today's top brands.
- **Powerful, Unified Backend Software:** FusionPro, our mobile-friendly dealer software gives access to customer data, alarm provisioning, troubleshooting, and more from one central location.
- **Creative RMR Tiers:** With a disruptive RMR pricing model, easily lead with fee-free smart home (for life) and follow with self or professional monitoring at half the price of other providers.
- **Control4 Integration:** The ClareOne panel integrates with Control4 providing a single solution for mainstream and luxury homes.

clare™

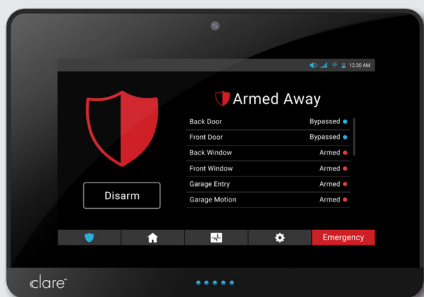

clare ONE™

Wireless Security and Smart Home Platform

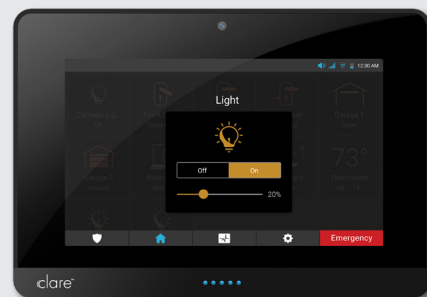

The incredibly slim ClareOne panel features a contemporary design, includes an LTE radio for emergency cellular reporting, Wi-Fi, Ethernet, 433Mhz radio, and Z-Wave Plus allowing integration with hundreds of today's most popular products.

Wireless Security Capabilities

- Self or Professional monitoring options
- Includes LTE capabilities for cell backup
- 24-hour battery backup
- Broad range of encrypted wireless sensors

Full-Featured Home Automation

- Supports security, lighting, locks, & more
- Homeowner DIY/DIWM system expansion
- Scenes, schedules, and automations
- Free automatic software updates

Control4 Integration

Leveraging partnerships with SnapAV and Control4, the ClareOne Panel integrates with Control4 and features native OvrC support providing a single up-sell solution for mainstream to luxury homes.

Clare's Smart Security Sensors

Clare encrypted security sensors feature extended battery life, reliability, and long range functionality. All sensors feature a tamper proof design, and work seamlessly with the ClareOne panel. Using RF for communication, each sensor can be paired into the ClareHome system quickly resulting in reduced installation time, maintenance, and prevent unwanted takeovers.

ClareOne Door Window Sensors

CLR-C1-MDW-W, CLR-C1-MDW-B

- Encrypted and simple to pair
- Available in white or brown

ClareOne Door Window Sensors w/ Shock or Contact

CLR-C1-DWSHK, CLR-C1-DWCNT

- Versions: external contact or with built-in shock sensor

ClareOne Outdoor Door/Gate Sensor

CLR-C1-ODDG

- Outdoor contact/gate sensor can be installed on wood or metal gates

ClareOne PIR Motion Sensor

CLR-C1-PIR

- Detects indoor motion
- PIR pet immune up to 55lbs

ClareOne Glass Break Detector

CLR-C1-GB

- Identifies broken glass sound
- Extend security coverage

ClareOne Smoke Detector

CLR-C1-SMK

- Smoke/temperature alerts
- Built-in temporal 3 sounder

ClareOne Carbon Monoxide Detector

CLR-C1-CO

- 70-400 ppm detection
- Built-in temporal 4 sounder

ClareOne Z-Wave Indoor Siren

CLR-C1-ZW-SRN

- LEDs for arming and trouble
- 105 dB siren

ClareOne Keyfob or Panic Pendant

CLR-C1-KF, CLR-C1-PNC

- Versions: remote security control or remote panic pendant

ClareOne Rate of Rise Heat Detector

CLR-C1-HT

- Features tamper switch
- Ceiling mount

ClareOne Water Sensor

CLR-C1-WTR

- Detects water & moisture
- Triggers alarms remotely

ClareOne 16-Zone Hardwired Input Module

CLR-C1-WD16

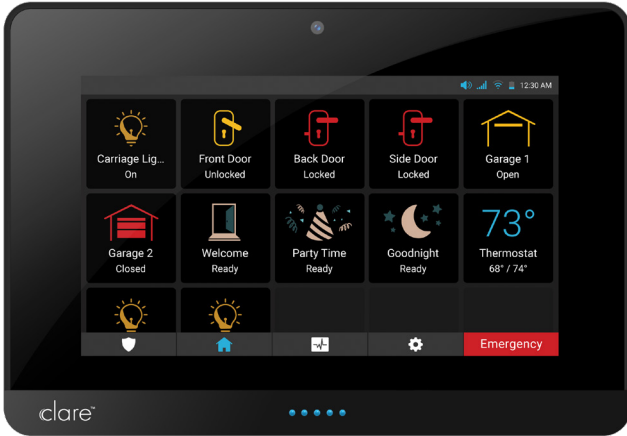

- Allows takeover of existing wired sensors up to 16 zones

ClareOne Wireless Security and Smart Home Panel

CLR-C1-PNL1

ClareOne is redefining what it means to live in an intelligent home. The panel sets the bar by combining professional wireless security with full-featured home automation into a single, robust touchpanel. ClareOne features a unified mobile app interface, and has a slim, contemporary form factor to fit the modern home.

Additionally, the Panel includes an LTE radio for cellular reporting, Wi-Fi, Ethernet, 433MHz radio and Z-Wave Plus allowing integration with hundreds of today's most popular products.

- Supports a complete line of encrypted wireless security sensors
- Encrypted technology reduces alarm takeovers
- Remote troubleshooting and support through FusionPro
- Screen auto-wakes when motion is detected
- Supports security photo when system disarmed or settings changed
- Integrates with the Control4 platform
- OvrC support allows you to reboot, check status, and more

Specifications

Touchscreen

Screen size	7in (18cm)
Screen resolution	1024x600
Screen type	Capacitive Touch

User Interface

Status LED	Multi-color
Voice announcement	System state, sensor state, arm/disarm state
User codes	Up to 99
Proximity sensor	5ft auto-wake motion detection

Radio/Network

Wi-Fi	Wi-Fi 802.11 a/b/g/n/ac dual band 2.4/5GHz
Network / Ethernet	USB-C Female with USB-C to ethernet adapter
Z-Wave	Z-Wave Plus
Cellular	Verizon LTE with 2-way voice
Transmitter frequency	433Hz
Encrypted	Yes
Max. number of zones	128 sensor zones

Siren and Audio

Internal siren	Piezo, greater than 87db @ 3 Meters
Wired siren	Support for one external wired siren
Wireless siren	Support for external Z-Wave siren

Power/Battery

Power input	5V - 12VDC 2000mA, Input 100-240VAC 50/60Hz
Power connection type	Micro USB or screw terminals
Power consumption	15W max
Battery type	Lithium battery, 5200mAh
Battery duration	24-Hours
Changeable battery	Yes - by user

Mechanical

Tamper switch	Panel tamper switch with spring release and status reporting
Operating temperature	32° to 120° F (0° to 48.8° C)
Operating humidity	85 ± 5% at 86 ± 3°F for 24 hours
Mounting	Includes wall and two-position tabletop stand
Dimensions (W x H x D)	7.7 x 5.3 x .8 in (194.8 x 134.9 x 20.6 mm)

Compliance

Certifications	FCC: 15.109 Class B 15.231, Industry Canada: ICES-003, RSS-210, CE, ETL listed to: UL-1023, UL-985, UL-1610, ULC-C1023, ULC-S545, ULC-S304
----------------	--

Replacement Parts

CLR-C1-12VA	ClareOne 12VDC Power Supply
CLR-C1-BATT	ClareOne Replacement Battery
CLR-C1-STND	ClareOne Replacement Stand and Bracket
